

Package I: 4 Nights & 5 Days

Day 1: High Below

- ❖ Arrival at Taziry around midday.
 - Afternoon:
- ❖ Relax and get acquainted to the environment, unwind by the pool or walk around to explore our facilities before savoring your first home grown meal at Taziry. Your local host will be available around the clock to introduce you to the magical ethnicity of Siwa and Taziry.

- ❖ You might well have heard that Siwa is below sea level. In your first experience with this mysterious oasis, we will get you to acknowledge this feeling. Relax your body, and float free in the Salt Lake, lying down on your back, staring at the sky, from dusk until the sun goes down and leaves room for the stars!

Day 2: *An Epic Oasis*

➤ *Morning*

- ❖ Our expert guide will take you on a cultural tour around Siwa to observe the monuments of all great civilizations that passed by this exceptional oasis: The Ruins of Shali, the Temple of the Oracle, the Temple of Jupiter, The Mountain of the Dead, Cleopatra's Bath and other Roman springs... Bicycles will be ridden in some areas inside Siwa town, and mini-vans will drive you to further places. You will then have lunch at Siwa town in a restaurant or coffee shop in an exquisite location after which you will continue the trip.

This tour will not be another monotonous touristic trip, it will enable you to witness its richest and deepest roots and story lines; to understand and enjoy Siwa from a local Siwan perspective.

- ❖ At night, there will be a special bonfire dinner feast at Taziry and a Siwan dance performance from local talent to celebrate becoming a *Siwi*.

Day 3: *The Great Sand Sea*

➤ *Morning*

- ❖ After a filling breakfast, get ready for the most unforgettable experience of discovering the various depths of the Great Sand Sea. A 4x4 vehicle will drive you to the desert for a full-day safari. You will appreciate the petrified forests, fossilized sea shells, cruise on top of curved sand dunes, swim in cold, warm and hot lakes and springs. You will also be equipped for sand-boarding: easy slopes for the amateurs and the steepest dunes for the advanced! Snacks, juices and mint tea will be served throughout the day.
- ❖ After you observe the magnificent sunset from a vantage point, you will be back to Taziry for a well-deserved delicious dinner.

Day 4: *Arabian Fantasy*

➤ Afternoon:

- ❖ Are you a skilled horse-back rider? Or a camel amateur? Taziry Stud gives pure breed Arabian horses and camels to be ridden in a 3 hours excursion into the desert, passing by the most glorious landscapes during twilight, feeling the serene and rousing breeze on the back of the horse/camel, galloping on “sand snow”. A true horseback knight experience that will remain unforgettable or a return to spiritual nomad freedom on camel back, the choice is yours.
- ❖ When you come back to Taziry, take your time to refresh and rest before a vehicle accompanies you to a local desert camp under the inspiring starry sky for a BBQ dinner.

Day 5: *Celebrating Farewell*
